

Hello Hallie225 Supporters!

We are so excited to update you on all that we have been doing! ☀️ We are so glad you are here!

All Smiles,
The Hallie225 Foundation Team 😊

Sliders & Sliders Recap

What an amazing event we hosted in Hallie's hometown, Deerfield! We had an incredible turnout with people coming from near and far to support The Hallie225 Foundation and the Grossman family.

We're thrilled to announce that we **raised over \$30,000** from this event, which will go towards scholarships for Deerfield High School students. The fundraising came primarily from silent auctions, merch sales, food sales, and donations. It's truly remarkable what we can accomplish when we all come together.

A special highlight of the day was the Deerfield Dynasty baseball game, which served as the centerpiece of the event. Thank you to the team for agreeing to participate and making the event even more memorable.

A huge thank you to all our donors, volunteers, and everyone who showed up! Your support made this first Chicago event such a success.

FUNDRAISING UPDATE

We are excited to share that in just about 6 months, we've **raised over \$90,000!** With roughly 10% allocated to operating expenses and ZERO administrative fees, your contributions are making a significant impact. Thank you for your continued support!

DONATIONS UPDATE

We're thrilled to announce that we've issued our first three checks, each to an incredible organization: Experience Camps, Imerman Angels, and Game On! Sports 4 Girls. More details about our partnership with Game On! will be shared in the next update!

Experience Camps: Our current contribution is sponsoring two campers this summer. Experience Camps provides free, one-week camps for grieving children who have experienced the death of a parent, sibling, or primary caregiver. These camps offer a safe environment where kids can connect, heal, and build a support network with others who understand their loss.

Imerman Angels: Imerman Angels offers one-on-one support for cancer fighters, survivors, and caregivers. By matching individuals with mentors who have gone through similar experiences, they provide hope, strength, and inspiration to those facing cancer. Our support helps them continue their mission of ensuring no one faces cancer alone.

Thank you for making these contributions possible with your generous support!

GAME ON! Sports 4 Girls

We are excited to announce that Hallie225 has partnered with Game On! Sports 4 Girls to establish a scholarship in Hallie's honor. This year, we contributed \$5,000 to set up a grant that will be awarded to a camper who embodies the positive traits we associate with "living life the Hallie way" and is in financial need. We hope to continue and grow this scholarship in the future. Hallie, a beloved camper from Game On's first year in

2007 (pictured), embodied strength, kindness, and resilience. She loved and played many sports, including badminton and golf, which showcased her vibrant personality and passion for teamwork. Each week of camp this past summer, a camper was awarded the HallieStrong ribbon, symbolizing the spirit and strength that Hallie embodied. Along with this ribbon, the recipient also received a gift certificate to Epic Burger (pictured) as a token of recognition for their outstanding efforts. A heartfelt thank you to Barb Lazarus, the co-founder and owner of Game On!, for making this partnership possible and for her dedication to empowering young women.

HALLIE'S STORY SHARED AT TINA'S WISH EVENT

Hallie's mom, Lauren Grossman, had the opportunity to tell Hallie's story at Tina's Wish at the Marcus Fladell Wellness Luncheon and Golf Outing to support research for the early detection of ovarian cancer. Lauren is hoping that sharing Hallie's story through her lens, will help others navigate the emotions, difficult decisions, and unknowns throughout the cancer journey. Her words were truly beautiful and moving, filled with optimism. ♥

Hallie Story Of The Month

This section of the newsletter is dedicated to sharing a story each month about who Hallie was and the remarkable impact she had on those around her. We hope this inspires you to live life 'The Hallie Way!'

At day camp, 5-year-old Hallie loved to swim, but one day her mom, Lauren, received a call from camp. They were concerned because Hallie, usually a happy swimmer, hadn't wanted to swim for the past few days. When Hallie got home, Lauren asked her what was going on. Hallie explained that she had been sitting on the side of the pool for the past few days because there was a boy who kept getting in trouble and had to sit on the side of the pool every day. She said, "I sit across the pool, and he doesn't even know who I am or why I'm doing it. I feel bad and don't want him sitting alone." □

Hellos From Hallie

This month's submission comes from Myles, Hallie's older brother. During the Deerfield Dynasty baseball game at the Sliders & Sliders event, Myles noticed sun rays beaming down over the festivities. This beautiful moment felt like a sweet reminder that Hallie is always with us and her light still shines!

The final score was 15 to 10—a total of 25! ☐☐
